

# Mentoring Sprint

You've completed the RUN InnoBoot Camp, now connect with the people who can help you go further.

The RUN-EU Mentor Network brings together more than 60 exceptional minds from across Europe's Bioeconomy, Future Industries, and Social Innovation sectors.

## What to Expect

- A fast-paced, personalised mentoring journey (1–2 sessions) focused on your goals.
- Independent, good-faith advice. Mentors volunteer their time to share real-world insights.
- Constructive challenge, networking, and honest feedback to help refine your idea or next career move.
- A supportive environment that values diversity, confidentiality, and respect.

# Be Part of the RUN-EU Mentoring Sprint

## What's special about the Sprint?

The **RUN InnoBoost Mentoring Sprint** is designed for participants who have completed the RUN InnoBoot Camp and are ready /getting ready to turn their ideas, research, or early-stage ventures into real-world solutions.

## How the Sprint works

**Apply** – Complete the short mentee profile outlining your goals.

**Get Matched** – You'll be paired with a mentor aligned to your sector and ambitions.

**Kick-Off** – Define objectives and expectations together.

**Mentoring Sessions** – One or two focused meetings (online or in-person) with agreed next steps.

**Wrap-Up** – Reflect on progress and capture actionable follow-ups.

## What Makes It Different

**Focused and flexible:** Designed for busy learners and researchers - impactful in just a few sessions.

**Cross-border perspective:** Tap into networks spanning 7 EU regions.

**Diverse and inclusive:** A welcoming environment that values different experiences and perspectives.

**Advisory, not transactional:** Mentors offer impartial insight - no selling, no strings attached.

**Safe and respectful:** Your intellectual property remains yours; confidentiality is guaranteed.
