

OPPPORTUNITY FOR OUR STUDENTS ONLINE BOOTCAMP SERIES

A practical online opportunity for students who want to strengthen their confidence, build skills (+ ECTS credits) and explore the world of innovation.

- ✓ 10 hrs of recorded workshops + 9 hrs individual work/assignment. **Complete at your own pace.**
- ✓ **Key themes:** Entrepreneurial Mindset · Design Thinking · Commercialisation
- ✓ Case studies, applied tasks, real-world tools
- ✓ By completing the bootcamps and assignment, you will benefit from **one-to-one mentoring** with top innovators to guide your project.

Who Should Join and Why

- The BootCamp Series is a strong fit for **business students** who want to understand how ideas turn into opportunities.
- It also works well for **students from any field** who are curious about creative problem solving or who imagine that one day they might start a business, a social innovation venture or a community idea of their own.
- **No prior knowledge is required.** Interest and willingness to learn are enough. Boost your CV with evidence of innovation ability that employers value
